Indulge in some free time to explore the bustling streets, filled with captivating stores and colorful cosplay culture. Don't miss the chance to browse through a myriad of manga titles and merchandise!

## DAY 3 | TOKYO - NAGOYA - TOYOTA MUSEUM - HIROSHIMA

This itinerary not only takes us to vibrant cities but also offers a unique opportunity to learn about Japan's automotive industry. From the modernity of Nagoya to the profound history of Hiroshima, our journey promises an unforgettable blend of cultural experiences and remarkable sights. Boarding the Shinkansen, Japan's high-speed bullet train, we head to Nagoya, where an exciting cityscape and countless attractions await us. Nagoya's highlight is the Toyota Museum, a captivating destination where we'll delve into the history and innovation of one of the world's leading automobile manufacturers. We'll explore the museum's exhibits and marvel at an impressive collection of vehicles.

After immersing ourselves in the automotive world, we return to Nagoya Station to embark on another Shinkansen, this time bound for Hiroshima. Along the journey, we'll experience the exhilarating speed and efficiency of this remarkable engineering feat. The journey promises breathtaking views as we traverse Japan's beautiful landscape. Hiroshima, known for its rich history and resilience, welcomes us with open arms.

## DAY 4 | HIROSHIMA - OSAKA

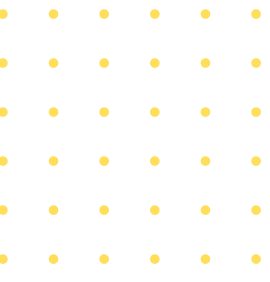

Throughout our journey, we'll be captivated by the poignant history of Hiroshima and inspired by the resilience of its people. And in Osaka, we'll embrace the dynamic energy of one of Japan's most exciting cities, creating memories that will last a lifetime. Our journey begins with a visit to the Hiroshima Peace Park Museum, where we will explore the profound history and remarkable stories of resilience surrounding the devastating atomic bombing of Hiroshima. As we wander through the museum, we'll witness powerful exhibits that shed light on the consequences of war and the pursuit of peace.

After our visit to the museum, we'll make our way to Hiroshima Station, where an exciting adventure awaits us. As we arrive in Osaka, a vibrant and bustling city, we'll be greeted by the energetic atmosphere of Osaka Station. Known for its modern architecture, this transportation hub serves as a gateway to the countless attractions and cultural wonders that Osaka has to offer.

Finally, we'll head to our hotel, ready to rest and rejuvenate after an eventful day.

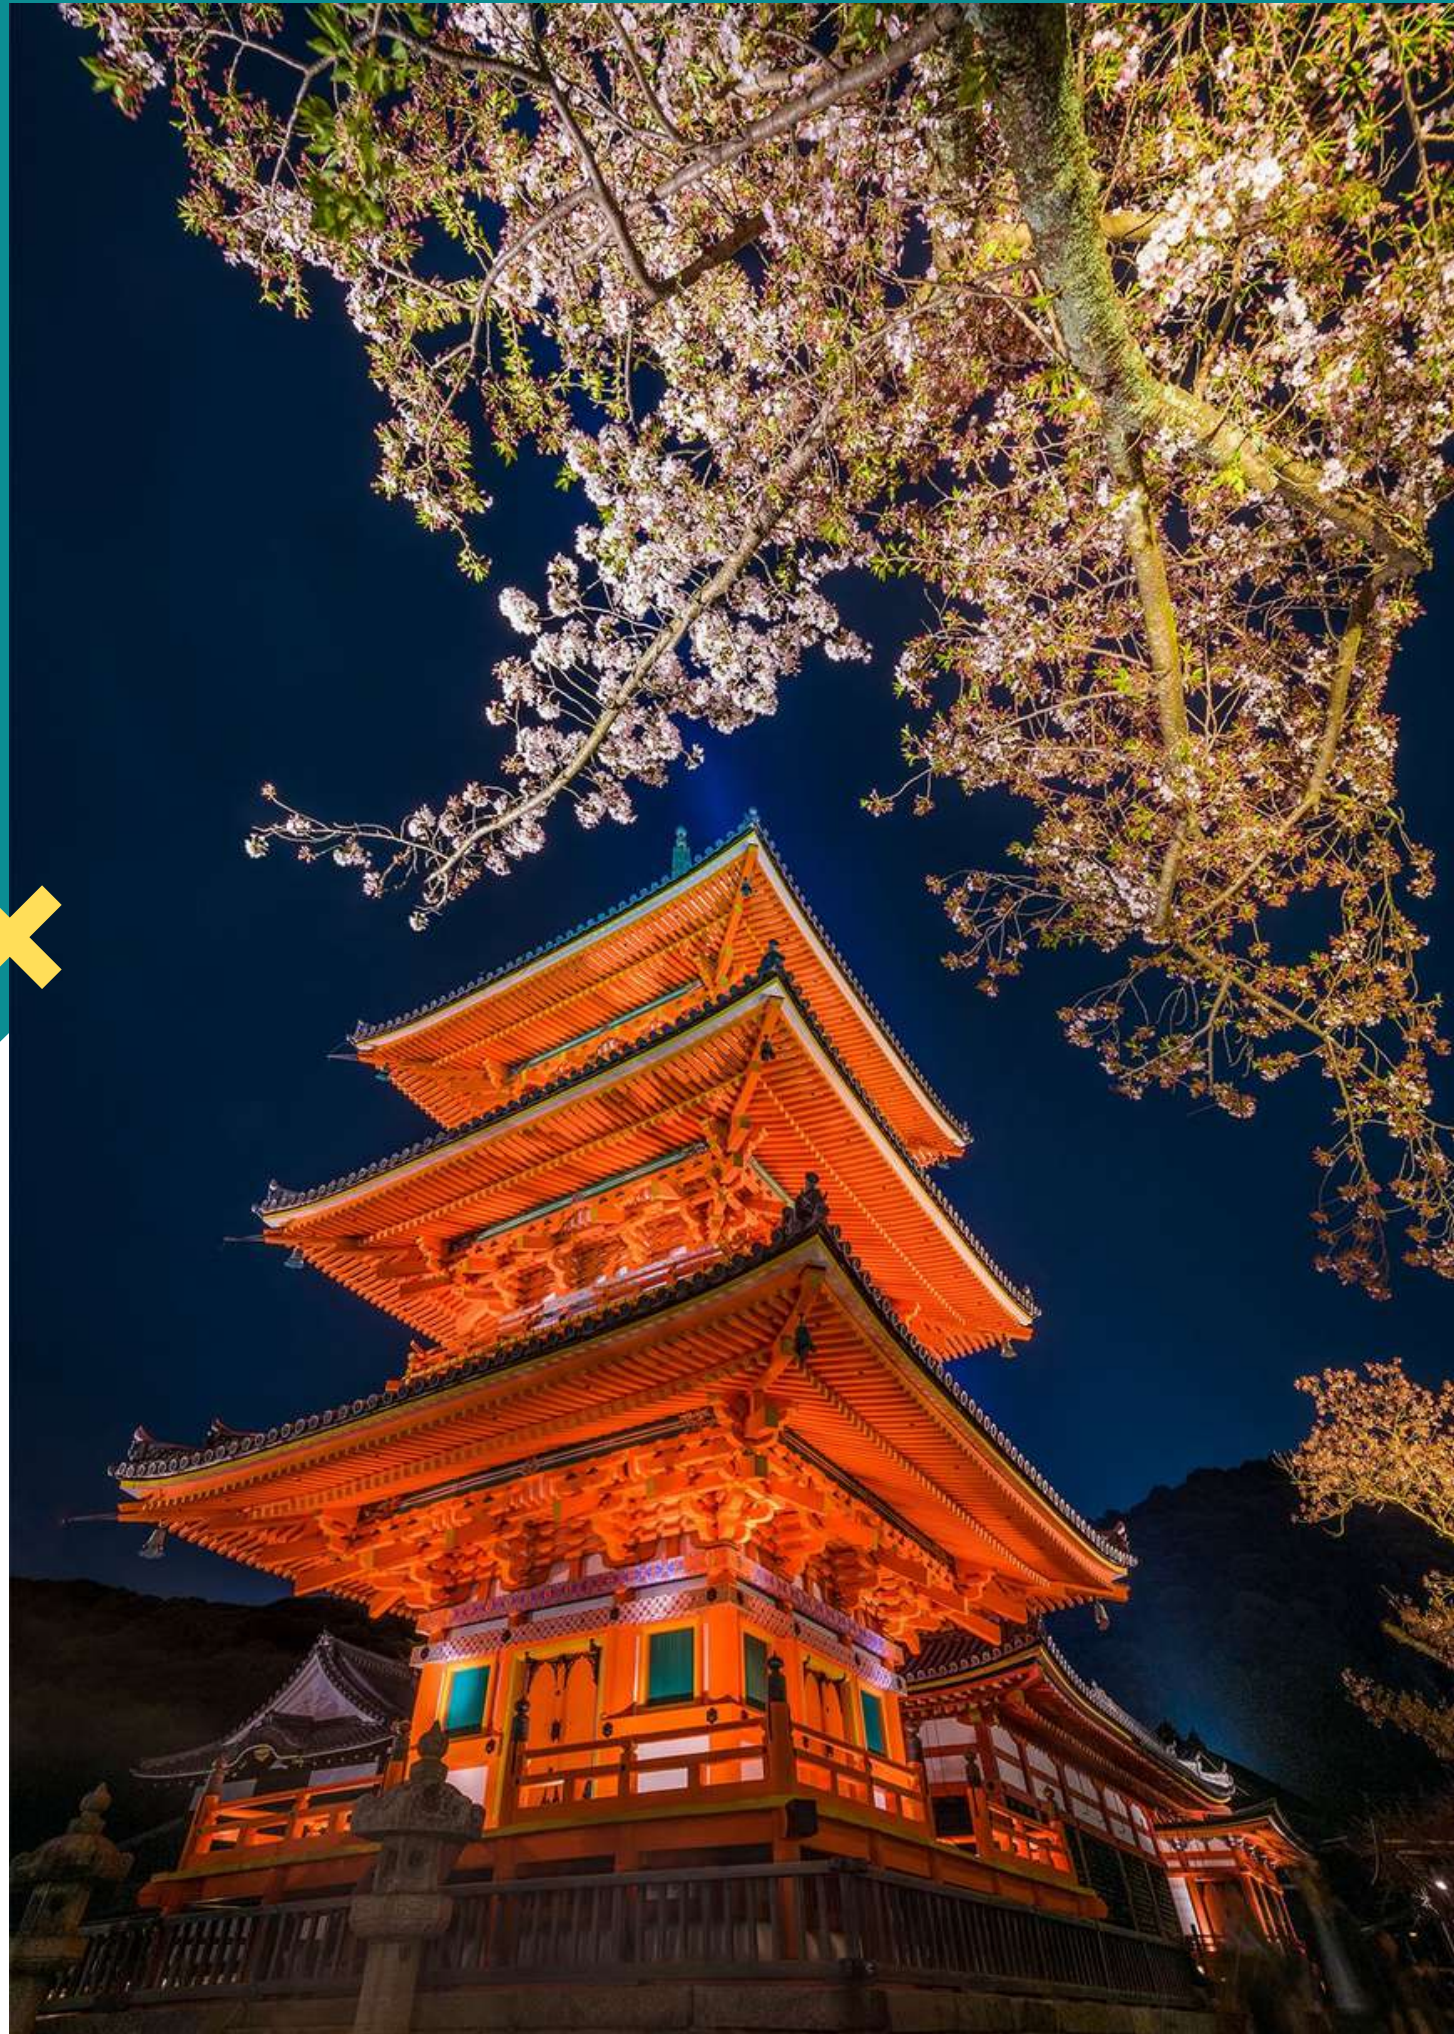

## DAY 5 | OSAKA - KYOTO - OSAKA

Our journey through Japan continues to the awe-inspiring Kiyomizudera temple, enveloped in serene beauty. Fun fact: Kiyomizudera, meaning "Pure Water Temple," is named after the Otawa Waterfall, granting wishes to those who drink from it.

Next, we explore Fushimi Inari Taisha, walking amidst vibrant torii gates on Mount Inari. Over 10,000 torii gates symbolize gratitude and wishes, dedicated to Inari, the deity of rice and prosperity.

In Kyoto's Gion District, we catch glimpses of geishas in elegant kimonos, preserving tradition. Gion thrives as one of the few districts showcasing geisha culture and traditional tea houses.

Our final destination, Osaka, blends modernity and cultural heritage. Known as the "Kitchen of Japan," Osaka offers bustling street markets and mouthwatering street food. Interesting fact: Local delicacies like takoyaki and okonomiyaki tantalize the taste buds.

## DAY 6 | OSAKA - NARA - OSAKA

Today we will experience a delightful journey through ancient traditions and vibrant market scenes. First, we visit Nara Deer Park, where the enchanting interaction between humans and nature captivates us. A friendly herd of deer freely roams around, and we can feed them special deer biscuits available throughout the park.

Next, we explore Todaiji Temple, a majestic Buddhist temple housing the Great Buddha statue. Stepping inside, we are greeted by the immense presence of the 15-meter bronze Buddha, an architectural marvel created through on-site metal casting, showcasing ancient craftsmanship.

Finally, we immerse ourselves in the bustling paradise of Kuromon Ichiba Market. Here, stalls overflow with fresh seafood, colorful produce, and mouthwatering street food. We indulge in local delicacies like takoyaki, sushi, and grilled seafood skewers. This vibrant market offers an authentic taste of Japan.

**TODAIJI TEMPLE**

**KOBE HARBOURLAND**

## **DAY 7 | OSAKA - KOBE - OSAKA**

Our first destination is the captivating Kobe Harbourland, a bustling waterfront area offering stunning sea views and a plethora of entertainment and shopping options.

We continue to the enchanting Kobe Herb Garden, where aromatic plants and flowers await us, offering a sensory journey like no other. We will fully immerse ourselves in the therapeutic effects of this tranquil oasis, providing a much-needed respite from the city's hustle and bustle.

Next, we venture into Kobe China Town, a vibrant district renowned for its bustling atmosphere and diverse culinary scene. As we wander through the narrow streets, we are enchanted by the colorful decorations and mouthwatering aromas wafting through the air. This is the perfect chance to embrace Chinese culture, indulge in delectable street food, and find unique souvenirs.

## DAY 8 | OSAKA - FUJI MOUNT - ONSEN EXPERIENCE

Our first destination is Oshino Hakkai, a quaint village famed for its crystalline ponds fed by the snowmelt from the mighty peak. As we meander through this idyllic landscape, tranquility envelops us, leaving an indelible mark. The Owakudani Ropeway takes us even higher, granting us a mesmerizing bird's-eye perspective of the volcanic valley and the captivating geothermal phenomena. The sulfurous fumes and bubbling hot springs create an ethereal experience, reminding us of the raw power coursing through our planet.

Pressing on, we embark on a scenic Lake Hakone Cruise, immersing ourselves in the enchanting panorama of mountains and the shimmering azure waters.

In the evening we invite you to embark on a culinary and relaxation journey like no other! Indulge in the rich traditions of Japanese cuisine and unwind in rejuvenating natural hot springs with our Japanese Style Dinner and Onsen Experience.

## DAY 9 | TOKYO - TEA CEREMONY - CALLIGRAPHY MAKING

On the last day, we will go for a captivating journey through Tokyo's vibrant cultural and technological wonders! Our adventure begins with a delightful tea ceremony in Asakusa, where we will immerse ourselves in the rich traditions of Japan. Discover the intricate art of calligraphy as we try our hand at creating beautiful characters, guided by skilled instructors.

Next, we'll venture into the futuristic district of Odaiba, a technological wonderland that offers a unique blend of entertainment and innovation. Our first stop will be the iconic Gundam statue, an impressive mecha robot that stands tall and captivates the hearts of anime enthusiasts and visitors alike.

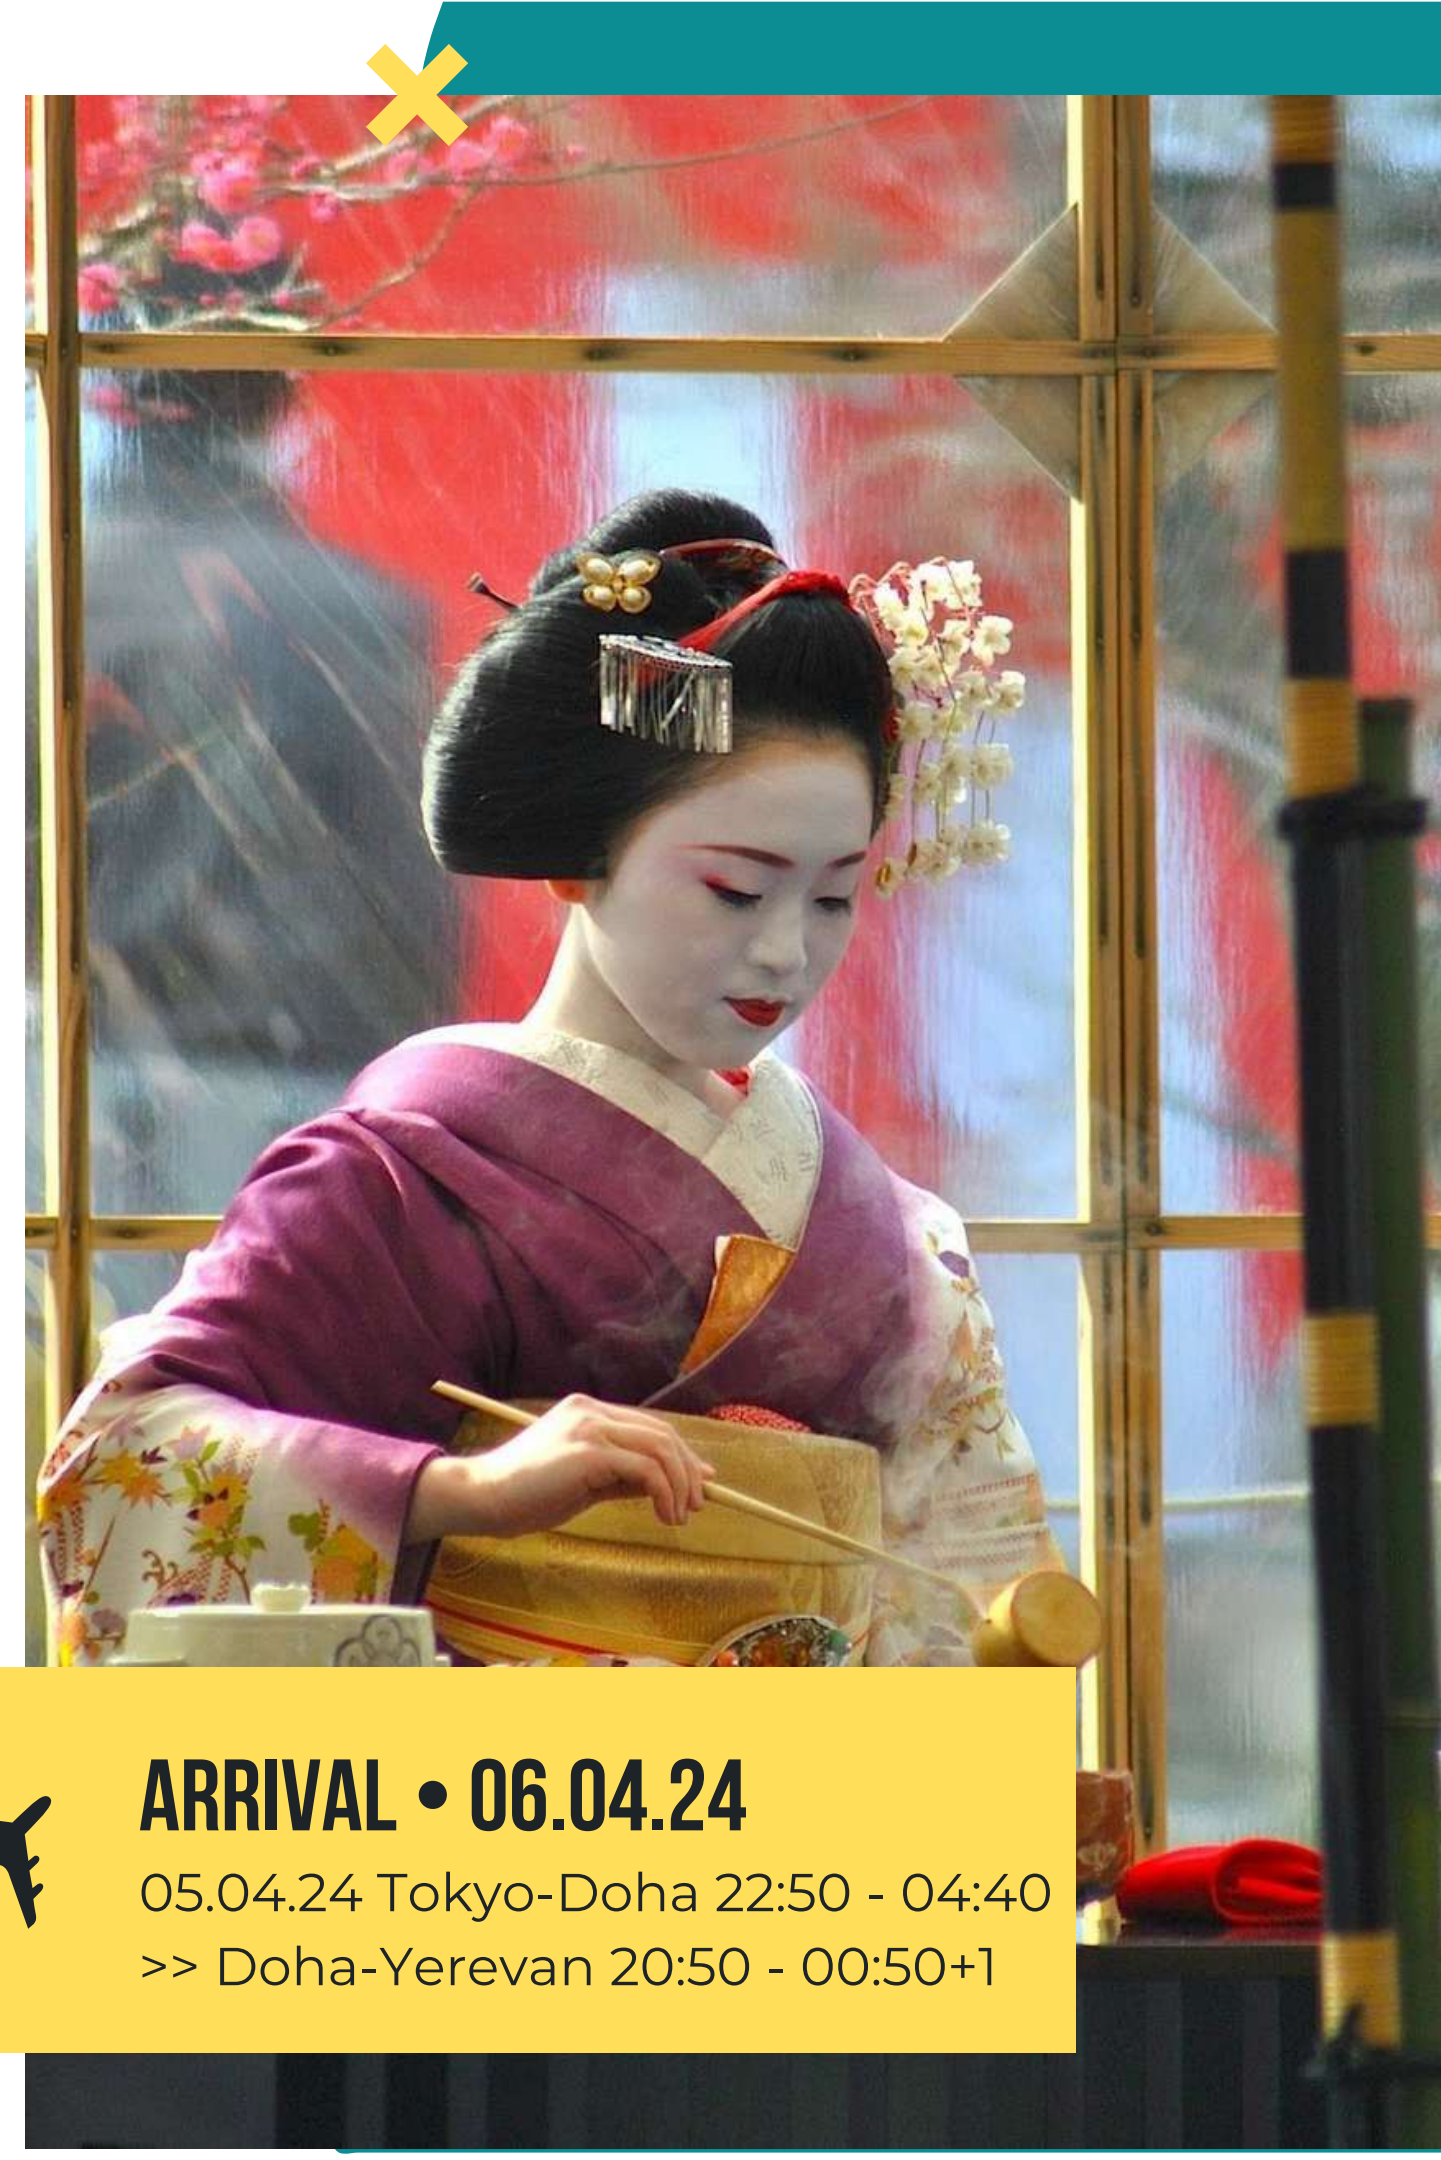

From there, we'll make our way to the stunning Liberty statue, a symbol of freedom and friendship between Japan and the United States.

To conclude our day, we'll visit the majestic Rainbow Bridge, an illuminated marvel that spans Tokyo Bay, offering breathtaking views of the city's skyline.

As our day draws to a close, we bid farewell to Tokyo and head to the airport, cherishing the memories we've made during our unforgettable journey.

## DAY 10 - DEPARTURE FROM TOKYO - ARRIVAL IN YEREVAN

We will embark on a journey of nostalgia as we board our flight back home to Yerevan at 01:00. Our hearts brimming with unforgettable memories, we bid farewell to a remarkable adventure.
